

Circular NPCI/2016-17/15

February 27<sup>th</sup>, 2017

To,

All members of Aadhaar Enabled Payment System

**Release of AEPS Interface Specification version 4.7.1**

In the 15<sup>th</sup> AEPS Steering Committee interim AEPS offus cash deposit transaction flow was proposed to member banks, member banks agreed to implement the same as the proposed solution is beneficial to the banking industry as banks would not be in out of fund scenario with the implementation of interim cash deposit transaction flow.

After making relevant changes as per the requirements of the interim AEPS offus cash deposit transaction flow, NPCI hereby releases AEPS Interface Specification Version 4.7.1. (Annexure 1).

The major change in interim AEPS offus cash deposit transaction flow from the existing transaction flow will be the introduction of deemed acceptance instead of reversal for AEPS offus cash deposit transactions.

Member banks are requested to kindly take a note of the same and develop application as per the AEPS Interface Specification Version 4.7.1 .Once the application development is complete member bank is requested to notify NPCI its readiness to start testing.

In case of any queries member banks are requested to send an email to [aeps@npci.org.in](mailto:aeps@npci.org.in)

With Warm Regards,

Pushpinder Singh

Head FI & New Business
