Timeline for AePS certification of Virtual ID & UID Token

With reference to UIDAI circular number 08 of 2019 (attached as Annexure 1), timeline for implementation for Virtual ID (VID) and UID Token has been extended till 30th September, 2019. In case, banks are not able to migrate by 30th September, 2019, the authentication services will be allowed subject to a disincentive of Rs. 50,000/- per day w.e.f. **1st October, 2019**. Further, if banks are not able to migrate to API 2.5 by 30th November, 2019, UIDAI shall suspend the license keys for AUTH 2.0 and eKYC 2.1 w.e.f. **1st December, 2019**.

To avoid penalty and suspension of license key by UIDAI, it is hereby requested to all banks to certify and migrate into production environment by **20th September, 2019**. Any delay in implementation of UIDAI API version 2.5 by AUA/KUA which will result in levy of penalty/ suspension of license key by UIDAI on non-compliant transactions shall be sole responsibility of respective banks and NPCI shall not bear any liability of financial disincentives resulting from delay in implementation of API 2.5.
