

NPCI/2020-21/AEPS/009

3<sup>rd</sup> December, 2020

To,

**All Members of Aadhaar Enabled Payment System**

Madam/Sir

**Sub: Member banks to mandatorily go live on Offus Revised Flow**

AePS transactions had witnessed a significant increase in volume in the month of April' 20, due to the release of DBT by Government of India. With an increase in volume, technical declines had also increased. To address the technical declines NPCI had proposed the revised transaction flow for Off-us transactions. To enable the implementation, the following are applicable:

- a) Member Banks to share the License Key and AUA Code of Bank with NPCI. NPCI shall issue a detailed standard operating procedure (SOP) in this regard, in due course of time.
- b) In the revised Off-us flow, Issuer banks will receive only successful authenticated transactions as they were getting in UIDAI API 2.0.
- c) All the Member Banks are requested to approach NPCI for certification, post completion of development at their end and Go live latest by **31<sup>st</sup> December'20**.

Please make a note of the above and disseminate the instructions contained herein to officials concerned.

Regards,

Sd/-  
Praveena Rai  
**Chief Operating Officer**
