

NPCI/AePS/2020-21/008

11th January, 2021

To,

All Members participating in various NPCI Products

Madam / Dear Sir,

Sub: Adherence to NPCI guidelines by members/participants

NPCI, an umbrella organization for retail payments system, has the responsibility to oversee the adherence to various guidelines of NPCI by the members/participants for all NPCI Products. It is also in the interest of the eco-system that the members/participants observe the rules and regulations set by NPCI through Procedural Guidelines (PG) and Operating Circulars (OC) to ensure that the eco-system runs on the same standards and principles of integrity and credibility.

With the continuous evolution and increased pace of development of payment landscape in the country including the participants leveraging the technological developments, and also the requirement to ensure safe, secure and efficient payment systems, it is incumbent on all participants to ensure strict adherence of the various NPCI guidelines.

NPCI shall ensure that the members/participants are adhering to PGs and OCs of all products of NPCI. Though such activity are presently monitored/tracked at our end and raised to participant concerned when issues are observed, there is no formal process of recording members/participants self-attestation confirming adherence to all NPCI guidelines and take corrective measures/actions for cases where continuous non-adherence is observed. Also, it becomes quite difficult to track the status and progress of non-compliance. The impact due to non-adherence by one participant that affects another participant or the customer need hardly be emphasized here. To address this gap, we are implementing the process of obtaining a self-attestation from members that they are complying with the NPCI guidelines. We attach herewith the **Annexure A** which covers responsibilities of members/participants and **Annexure B** which covers NPCI guidelines to be adhered as on date and will include any guidelines issued from time to time. We shall be obtaining a self-certification from each member/participants that they are adhering to such guidelines. A communication detailing the modalities of such certification shall be shared separately.

NPCI shall also be tracking from various reports, data, etc. to review that members/participants are adhering to the guidelines.

We have also set up Surveillance & Enforcement (S&E) Division within the Risk Management Department of NPCI to handle cases where non-compliance is observed so that proper remedial action can be taken. This will further maintain the smooth functioning of payment systems.

Please make a note of the contents herein and disseminate the information contained herein to the officials concerned.

Yours faithfully,

Praveena Rai
Chief Operating Officer
