All NACH System Participating Banks

**Transaction Processing Capability on NACH System**

Madam / Dear Sir,

A kind reference is invited to NPCI circular ref. nos. NPCI:2013-14:NACH:Circular 7 dated 31<sup>st</sup> May, 2013 on "Transactions Processed on National Automated Clearing House (NACH) System" and NPCI:2013-14:NACH:Circular 13 dated 20<sup>th</sup> August, 2013 on "Processing of Transactions on NACH APB and EBT System". Full version of Circular 7 and 13 are available on NPCI website under the link [http://npci.org.in/documents/Circular\\_No\\_7.pdf](http://npci.org.in/documents/Circular_No_7.pdf) and [http://npci.org.in/documents/Circular\\_No\\_13.pdf](http://npci.org.in/documents/Circular_No_13.pdf) respectively.

2. Vide these circulars, among other things, all NACH System participating banks were advised to put in place necessary infrastructure to process atleast 5 lakh transactions per session (within 90 minutes) on NACH System.
3. Above stated processing capability of NACH System is imperative for the banks keeping in view the continuous increase in number of transactions being processed through NACH System.
4. We request member banks to benchmark their NACH System processing capabilities as well.

With Warm Regards,

(Vipin Surelia)
