

NPCI/2014-15/NACH/Circular No. 97

March 24, 2015

To,  
All NACH Participating Banks

**New transaction code for ECS Pungrain Transactions**

Madam / Dear Sir,

With reference to our circular No. 83 on the Bank readiness to process new types of transactions, NPCI proposed to introduce new transaction codes for NACH - Credit - Pungrain related transactions.

2. Currently Member banks are participating in NACH - Credit system (156 characters) are receiving the Pungrain inward file with the following values and it is similar to NACH - Credit (156 characters).

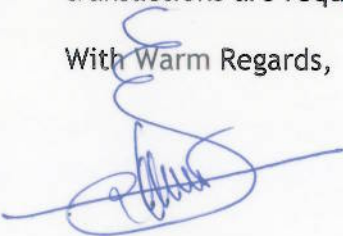

Header Code	Current Transaction Code
11	22

3. For better process control we are introducing a new transaction code in the record level only for Pungrain transactions alone in the NACH Credit (156 characters) format. The new code details are enclosed below,

Header Code	New Transaction Code
11	21

4. All the other fields in the file and the file name will continue to be the same. Please refer to Annexure I for the exact file format changes for Pungrain transactions. This will be implemented with effect from April 15, 2015. All NACH participating banks which are processing the Pungrain transactions are requested to take note of the same and make the necessary changes at your end.

With Warm Regards,

  
(Giridhar G.M.)  
VP & Head - CTS & NACH Operations
