Phase wise Legacy migration

Reference may be taken from Circular No. 013 on "Legacy transaction migration process" dated June 28, 2018. As per the process detailed in our circular referred above 347 destination banks have completed reconciliation and cancellation of mandates. These banks are migrated to ACH 306 format processing, the list of banks is provided in Annexure I

Sponsor banks and corporate that are ready can start presenting the transactions in 306 format immediately. Those who are not ready should make changes in their internal systems to commence migration before July 31, 2018. NPCI will disable these banks from ECS processing shortly.

Member banks are advised to take note and make necessary arrangements accordingly.

With Warm Regards
