

NPCI/2018-19/NETC/002

12th Sep, 2018

To,

All Member Banks of National Electronic Toll Collection (NETC)

Dear Sir/ Madam,

Subject: Enablement of FASTag recharge through UPI

We refer to the NHAI NETC steering committee meeting held on 17th August 2018 at NHAI head office in Delhi, wherein it was decided that all Issuer banks should provide the Unified Payment Interface (UPI) platform for reloading/top-up of FASTag.

In this regards, NPCI has already circulated the 'Approach Document' to all issuer banks for enabling FASTag top up/recharge facility through UPI.

In order to provide a seamless reloading/top-up facility to the FASTag customers, all existing FASTag issuing banks should enable UPI facility. Member Banks are requested to confirm their compliance of the same by 31th October 2018 in this regards.

Yours Faithfully,

Vishal Kanvaty
