

NPCI/NFS/OC No.202/2016 – 17

11<sup>th</sup> April, 2016

To,

All the Members of National Financial Switch (NFS)

Dear Sir / Madam,

**Sub: NFS – BIN Maintenance**

**Objective:**

The objective of this circular is to provide NFS members with a list of BINs maintained at NFS for routing interbank ATM transactions through NFS network.

This will help NFS members to verify the following:

- a. As an Issuer, whether member bank's existing BINs are maintained at NFS, and
- b. As an Acquirer, whether all the BINs as per the list are updated by NFS members at their switch.

Proper updation of BINs by NFS members and at NFS shall prevent declines of ATM transactions due to non updation of BIN at either end. This will help in avoiding customer complaints.

We seek confirmation from NFS member on the following:

**As Issuer:**

Request you to check and confirm that all existing BINs of your bank are updated in NFS (Listed in Annexure A sent through email) for routing of ATM transactions.

For any further clarifications, we request your team to get in touch with:
