June 10th, 2025

To,
All Member banks

Sub: Change in File Format for Late Reversal File (NFS) – Transition from .xlsx to .csv Format

At the request of a large number of member banks it has been decided to provide Late Reversal File in .CSV format which is currently shared in .xlsx format.

Effective **17th June 2025**, the Late Reversal File will be shared in **.csv** format as well in addition to the existing xlsx format

xlsx Format naming convention: VerifreversalTransXXX03062025_4C_xlsx.pgp

csv Format naming convention: VerifreversalTransXXX03062025_4C_csv.pgp

Important Notes:

- Only the file format is being changed – from **.xlsx** to **.csv**.
- There is no change in the file content, structure, or encryption methodology.
- Files will continue to be shared through the existing secure channel.

Migration Timeline:

- **Effective Date for .csv Format: 17th June 2025**
- **Discontinuation of .xlsx Format: 30th September 2025**

Post **30th September 2025**, the **.xlsx** format shall be discontinued.

Member banks are advised to initiate the necessary changes at the earliest and ensure adherence to the migration timeline. The information herein may please be disseminated to all the concerned officials.

For any queries or clarifications, please feel free to contact the respective customer success – Cards RM.
