

Abridged Minutes of NFS Steering Committee Meeting held on 26th July 2023

1. Members were updated on the status of UDIR for NFS ATM transactions. Members to implement UDIR for NFS ATM transactions as Issuer and as Acquirer both at the earliest.
2. Members were informed that NPCI website provides an avenue for bank's customers to register complaints for interoperable NFS ATM transactions.
3. Members were updated on the present status of enablement of UPI-ATM (ICCW) at the ATMs and for customers. Members should consider implementing UPI-ATM at their ATMs at the earliest.
4. Members to work towards enabling Interoperable Cash Deposit (ICD) transactions on their Cash Recyclers / Cash Deposit Machines and for their customers.
5. Members were updated on the status of full-KYC non-Bank PPIs on-boarded on NFS.
6. Members were updated on the international card transactions (DFS, JCB & UPI cards acceptance) transactions on NFS member banks' ATMs.
7. Members were requested to complete self-attestation for assigned directives for all products at the earliest.
8. Banks having high technical declines to work towards addressing issues and control the decline. Members to also do literacy campaigns for reducing business declines.
9. Other operational, risk management and product related matters were discussed including adherence to technical specifications, update on PCI PIN Security requirements on Key block, etc.
