Dear Sir/Madam,

Subject: BBPS On-boarding of System Participants

Members to take note that BBPS – CANVAS will be released in production in the last week of April 2017.

CANVAS is an Admin module for BBPS which will enable the Bharat Bill Payment Operating Units (BBPOUs) to create users and access points for internal operational purposes, on-board Agent Institutions, Agents, Billers, view settlement related information, download reports, manage Complaints and Disputes etc.

Till the time CANVAS is deployed on production and becomes fully functional, support will be extended by BBPCU to the BBPOUs for on-boarding of Agents, Agent Institutions and Billers.

BBPOUs may provide the request for on-boarding the participants on the BBPCU system by writing to nilesh.patel@npci.org.in and pugalenthi.palanisamy@npci.org.in

BBPOUs who have not completed the testing of CANVAS are requested to contact us bbps.canvas@npci.org.in and complete the testing at the earliest.
