

NPCI/IMPS/OC No. 42 /2014-15

Aug 1st 2014

To,

All Member Banks of IMPS

Dear Sir / Madam,

NUUP (*99#) based mobile banking certification

Please refer to circular NPCI/IMPS/OC No 41/2014-15 dated 7th July, 2014 wherein we had requested IMPS member banks to expedite the development process for NUUP at their end and complete the certification within the timelines.

In order to ensure that the certification process for the banks is expedited, we wish to update that NPCI has created a special certification team for NUUP. This team will dedicatedly work with all the banks to complete the NUUP certification and will be sufficiently resourced to handle multiple certifications concurrently. We expect the entire certification process to take 2-3 weeks for each bank.

Member Banks are requested to expedite their development process and take advantage of services of this dedicated certification team. This shall help all the member banks to offer NUUP services as per the desired timelines.

Member banks are advised to contact following NPCI team members in case of any query :

Sr.	Name	Email id	Contact Number
1	Dheeraj Bhardwaj	dheeraj.bhardwaj@npci.org.in	8527758555
2	Aseem Chaturvedi	aseem.chaturvedi@npci.org.in	8879772834
