

NPCI/IMPS/2022-23/OC 110

30<sup>th</sup> June, 2022

To,

**All Member Banks, Immediate Payment Service (IMPS)**

Madam / Dear Sir,

**Subject: Revised timelines on changes in IMPS raw data file – OC 107.**

We refer to Operating Circular (OC) No. 107 dated 8<sup>th</sup> Dec, 2021 on changes in IMPS raw data files wherein, we have requested IMPS members to comply with necessary changes by 30<sup>th</sup> June, 2022.

It is understood from various banks that necessary changes mentioned in OC 107 are still under development to handle the reconciliation based on revised raw data files. NPCI has also arranged necessary support for banks for smooth migration of changes from old raw data format to new format.

In view thereof, we wish to inform you that the timelines to fulfil the OC 107 compliance is extended to 3 more months hence all Banks are requested to comply with these changes by 30<sup>th</sup> September, 2022.

Please make note of the above and disseminate the instructions contained herein to the officials concerned.

For any queries or clarification, please contact:
