KEEPING YOUR RuPay DEBIT CARD SAFE

- * Register your mobile number and e-mail id with your bank. You will get instant notification of debit/ credit to your account.
- * Do not share your card PIN, mobile PIN, or internet banking password with anyone. Beware of fraudsters who claim to be bank employees. Please note that no bank asks for PIN or password.
- * Memorise your debit card PIN. Do not write your debit card PIN on the back of the card or anywhere else.
- * Cover the ATM keypad with your palm while entering your PIN.
- * Do not allow anyone else to enter your debit card PIN.
- * Never give your card details or bank details to anyone over the phone.
- * Check your bank account statements regularly.
- * Change your ATM PIN and online passwords at regular intervals. You can change your debit card PIN at any bank's ATM.
- * Do not forget to collect your card after the transaction is complete.
- * If your card is lost or stolen, or you suspect it is being used fraudulently, report it immediately to your bank.
