NPCI gives approval to WhatsApp for additional 60mn users

Mumbai, 13 April 2022: National Payments Corporation of India (NPCI) has approved an additional sixty (60) million users on UPI for WhatsApp. With this approval, WhatsApp will be able to expand the service to its **hundred(100) million users**.

About NPCI:

National Payments Corporation of India (NPCI) was incorporated in 2008 as an umbrella organization for operating retail payments and settlement systems in India. NPCI has created a robust payment and settlement infrastructure in the country. It has changed the way payments are made in India through a bouquet of retail payment products such as [RuPay card](#), [Immediate Payment Service \(IMPS\)](#), [Unified Payments Interface \(UPI\)](#), [Bharat Interface for Money \(BHIM\)](#), [BHIM Aadhaar](#), [National Electronic Toll Collection \(NETC Fastag\)](#) and [Bharat BillPay](#).

NPCI is focused on bringing innovations in the retail payment systems through the use of technology and is relentlessly working to transform India into a digital economy. It is facilitating secure payments solutions with nationwide accessibility at minimal cost in furtherance of India's aspiration to be a fully digital society.
