A still life composition on a wooden surface. In the center, three rolled-up light blue towels are stacked and tied with a piece of twine, resting on a large, textured, light-colored ceramic or stone pot. To the left, a white mortar and pestle sits next to a small white square pot containing a green herb. In the foreground, two lit yellow candles are placed on the wooden surface. The background is a soft, out-of-focus light blue. The text "ONE LIFE. ONE RuPay." is overlaid in white, bold, sans-serif font across the middle of the image.

A collection of gold jewelry is displayed on a highly reflective, polished surface. In the foreground, a wide, textured gold ring with intricate patterns is prominent. Beside it lies a diamond-encrusted ring. In the background, several pearl necklaces with large, lustrous pearls are visible, along with a pair of pearl earrings. The lighting is warm and soft, creating bright highlights and deep reflections on the jewelry and the surface it rests upon. The overall composition is elegant and luxurious.
