RuPay Credit Card Program: Change in Interchange Structure for Fuel MCCs

1. Currently, while paying for the fuel through RuPay Credit Cards, customers are being levied a charge of 1.00% on the transaction amount as fuel surcharge.
2. To support the acquiring business with the defined surcharge on fuel purchase, we intend propose the below mentioned interchange structure on fuel MCCs:

Category	Interchange	Remarks
Industry Program- Fuel MCCs 5541- Fuel Stations 5542- Automated Fuel Dispensers 5983- Fuel Dealers- fuel oil, wood, coal and liquefied petroleum	0.75% (on all variants of RuPay Credit Card, i.e. RuPay Select, RuPay Platinum and RuPay Classic)	Payable on transaction value by acquirer to issuer

3. The above mentioned interchange will be applicable on all transaction done by RuPay Credit Card, effective 1st July 2017.
4. Member banks are requested to take note that the above mentioned Interchange Structure is applicable on all variants of RuPay Credit Cards i.e. RuPay Select, RuPay Platinum and RuPay Classic.

Yours truly
