

NPCI/ 2017-18/NACH/Circular No.281

March 28, 2018

To

All NACH Member banks

**Aadhaar encryption and masking of customer information**

NPCI will be carrying out certain activities on Aadhaar mapper for compliance to the statutory requirements, the activity will be commenced from 09:00 PM on March 29, 2018 and likely to be completed before midnight of April 02, 2018. During this period the banks will not be able to do fresh inserts or other Aadhaar movement related updates to the mapper. Further the facilities like look up, API services also will not be available to any of the stakeholders.

There will not be any impact on Aadhaar based transaction processing on March 31<sup>st</sup>, 2018 because of the mapper related activity, banks can continue to present the Aadhaar related transactions on that day as usual.

Member banks and other stakeholders are advised to take note of this and plan their activities accordingly.
