Change in the validation of mapper upload data - Re-upload of Aadhaar Numbers

NPCI is thankful to you for the support and encouragement for making the National Automated Clearing House (NACH) a successful platform for processing of payments which are bulk and repetitive in nature. It is our endeavor to provide the best of services to the member banks and ensure that the improvement in quality at all times.

2. This is with reference to modifications done to the Aadhaar mapper upload data validation. With effect from 22-01-2014 a validation for duplicate upload of Aadhaar number by the same member bank has been activated. Henceforth any such duplicate record in the mapper upload file will be rejected by the system with the reason "Duplicate UID record"

3. All member banks are requested to take note of the change in the mapper upload process.

For any queries/further help required, please feel free to email at nachsupport@npci.org.in
