

To,

All NACH Participating Banks

**Additional features in AADHAAR Lookup for APB Credit**

Madam/Dear Sir,

We refer to our Circular No. NPCI: 2012-13: NACH: Circular No 2 dated 15<sup>th</sup> March 2013 on the subject of "Enabling of AADHAAR Lookup feature for APB-Credit on NACH system". Adding to the existing features that banks will be able to view the mandate flag, OD flag and OD date.

2. The input file format will remain same as prescribed in the Circular # 2 however to get the mandate flag, OD flag and OD date in addition to Aadhaar then the file naming convention should be in the given format in Annexure 1.

3. Now that the member banks can verify the OD flag using following options,

1. NACH Application under Bank MIS option
2. API
3. Aadhaar lookup facility

4. Banks can continue using the old naming convention (UID-ST-ABCD-ABCD001-DDMMYYYY-000001-INP.txt) to know only the status of Aadhaar number.

With warm regards,

Giridhar G M  
VP and Head - CTS & NACH Operations

Annexure I

*New file naming convention*

UID-MAP-ABCD-ABCD001-DDMMYYYY-000001-INP.txt

*Expected output file format*

S.No	Field Name	Field Description
